DC Alcoholic Beverage Regulation Administration
2000 14th Street, NW, S400
Washington, DC 20009

To Whom This May Concern:

This letter serves as a formal protest of the application by NAI Saturn Eastern LLC (t/a Safeway) located at 1701 Corcoran St., NW, Washington, DC 20009 for a Class B Alcoholic Beverage License.

We, as neighborhood residents/property owners, protest based on the following appropriateness standards.

25-314 (a)(4)- Whether issuance of the license would create or contribute to an overconcentration of licensed establishments which is likely to affect adversely the locality, section, or portion in which the establishment is located.

25-314 (b)(4)(E) – The establishment is a full service grocery store which is newly constructed with a certificate of occupancy issued after January 1, 2000, or is an existing store which has undergone renovations in excess of \$500,000 ... (ii) during the preceding 12 months in which an application is made.

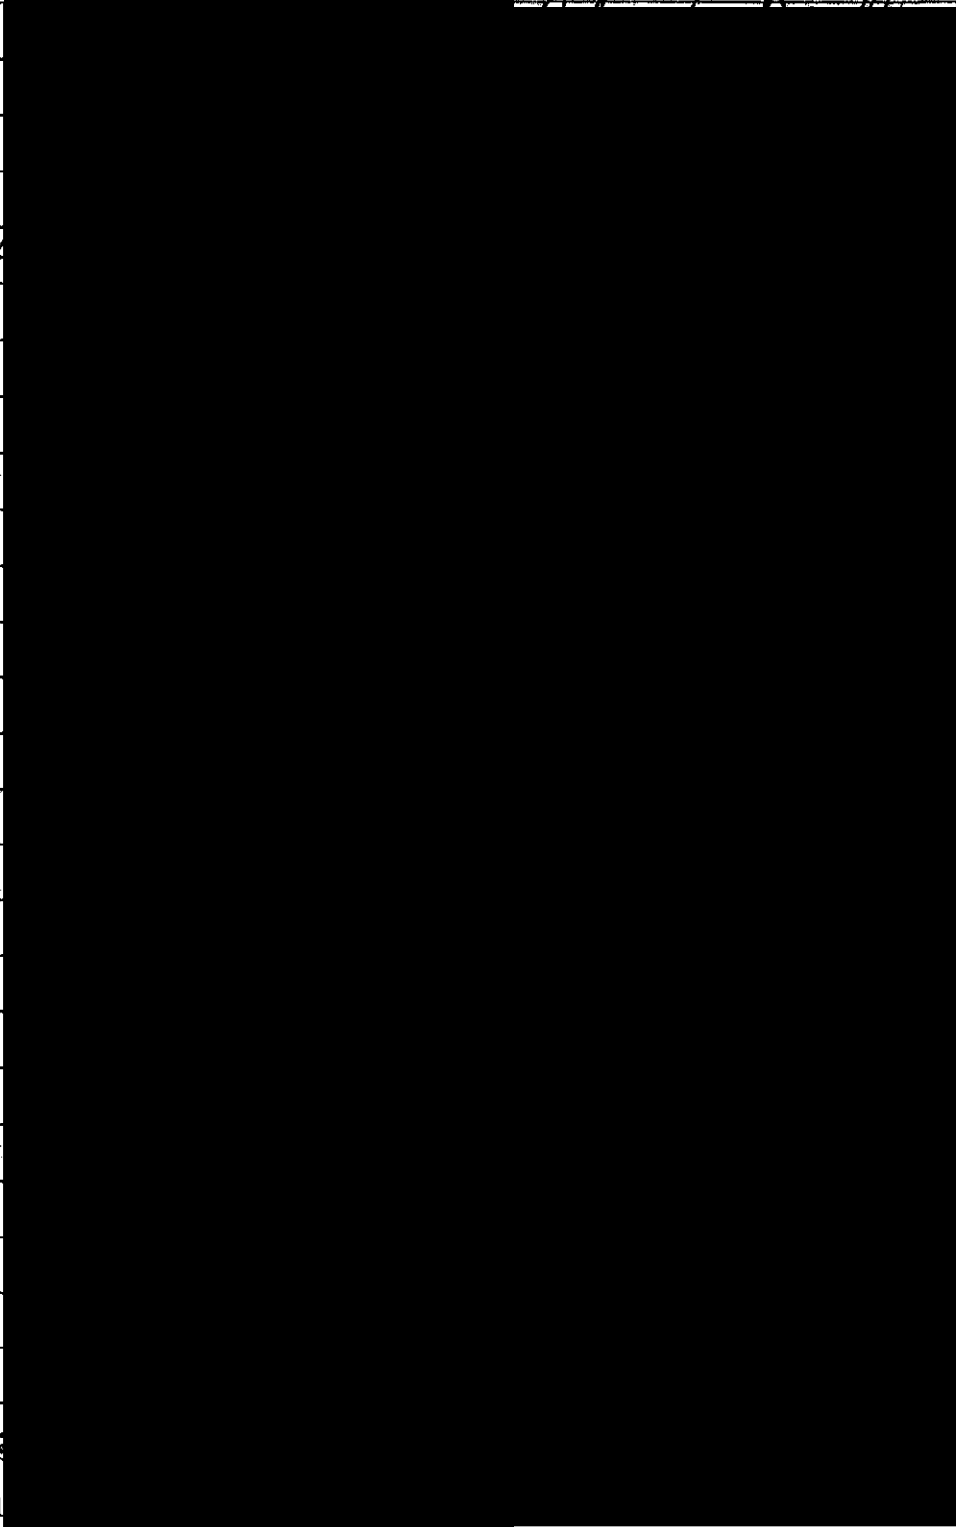

We designate Mitchell Aaronson as our representative of this group at all hearings should we be granted standing.

Regards,

A Concerned Group of District Residents

PREVENT SAFEWAY FROM SELLING BEER AND WINE!

As a Safeway customer, I request the DC Alcoholic Beverage Regulation Administration (ABRA) deny any request by Safeway (Albertson's Companies) to sell beer and wine in the Dupont Circle neighborhood store. The store is small, and the limited space is vital for providing food and living essentials to area residents. Furthermore, there is ample availability to purchase all forms of alcohol within the neighborhood from existing stores.
